All challenges should be done under adult supervision

SECTION 1.

1. Investigate at least 4 different ways to lay and light a fire. Find out which trees are good for kindling (quick burning) and for slow sustained burning.
2. Boil water in a paper bag, or cook something using hot stones.
3. With your patrol or other group, cook a 2 course meal over a fire using mostly fresh ingredients.
4. Learn to saw wood safely and build a woodpile of graded wood.

SECTION 2

1. Plan and go on a hike. (You will need an adult to check your route and to go with you).
2. Take part in a night hike (make sure you have an adult with you).
3. Build a shelter and sleep in it.
4. Play a wide game in the dark.
5. Take part in an outdoor sport or adventurous activity that you have not tried before
6. Complete a pioneering project using at least 4 long poles. (Get it checked before you use it).

SECTION 3

1. Sit silently for 30 minutes, outdoors (preferably in the dark) and make a record of the wildlife you see or hear.
2. Learn about the night sky and find 2 constellations or planets to identify when you are outdoors.
3. Go fishing with an adult. (Adults need a licence unless you are sea fishing)
4. Make a photographic collection of the outdoors to include wild plants, wild animals/insects and scenes.
